2. Lokshahi Pandharwada Diwas (Democracy Fortnight celebration)

In the year of 2019 the Government of India conducts the campaign “Lokshahi Pandharwada”. As a part of this campaign, the department of physics in collaboration with Tahasil office, Kalmeshwar was organized the symposium on the topic “Lokshahi Paddhat ani Sushasan” on 4th February 2019. Government of Maharashtra starts to conduct the Lokshahi Pandharwada from 2019. The aim was to create the awareness and sensitivity regarding the Democracy among the students. In same respect the department of Physics conducts this symposium under the Government’s banner LOKSHAHI PANDHARWADA 2019. Along with teaching staff, more than 250 students were participated in this symposium as the audience. On this occasion, very optimistic debate/discussion was taken place between the students of the college and the teachers, Dr Upendra Mahatme, Dr Sharad Gedam on the topic of the symposium. The long question-answer session was held for one and half hour. The participated students in the symposium were felicitated by certificates.

1. Doorstep Teaching

The students of our College are regularly going to teach the primary and secondary school level students to nearby located area known as “Wadhar Vasti” at Bramhani village which is a very economically as well as academically poor. Their parents cannot educate them due to poverty. The tribe “Wadhar” is very economically poor in the society. Their earning source is based on daily work. Even the school going boys and girls are often going to daily wedges.

Our College has taken a step to learn them through our students of B. Sc. I, II and III year after their classes and practical’s are over once in a week free of costs. Our students guided them and their parents and explains the importance of education and asks for learn.

2. Waste Management

Under swachha Bharat Program (Govt of India), the CLEAN INDIA CAMPAIGN was organized and conducted by physics department of the college on 1 march 2020. Total 55 students were participated, and campaigned in nearby six villages i. e. Mohpa, Deobardi, Mhasepathar, Khumari, Mandawi, and Mohgaon in the Kalmeshwar tahasil. Total 505 families were covered by the students through the whole day. This campaign was focused on the waste management theme under the title ***AWARENESS IN RURAL SOCIETY - "Management of Daily Waste, Useful Goods and Useless Things"***. Students satisfied the villagers that how the family member should manage the daily waste, useful goods and useless things. How pesticides, fertilizers should manage and balance, why the e- waste like mobiles, batteries , chargers, radio receivers and T V sets should not be dumped in house?, if they are useless then how these things may hazardous radioactively and chemically? We can neither thrown up them nor can fire. Our students tried well to convey the message to rural society through this campaign. In this situation good help was get to us by local administration such as Grampanchayat, Nagarparishad etc. In this regard our students called the meeting with Sarpanch and some villagers. The outcome of the meeting was very nice. The collaborative work with our students was committed by village authorities. They decided and committed to collect the polymer-plastic-rubber waste, chemical waste, poisonous waste, electronic waste and electrical waste separately, once in six months from the villagers and shoppes.

The students of the college with the villagers in CLEAN INDIA CAMPAIGN

3. Sericulture and Apiculture Technology For Farmers

One day workshop on 'Sericulture & Apiculture Techniques' was organized at K.Z.S. Science college , Bramhani , Kalameshwar in collaboration with Centre for Sericulture and Biological Pest management Centre , R.T.M.N.U, Nagpur (C.S.B.R) & Dr. Bhabha Lokshikshan santha's, K.Z.S. Science College, Bramhani-Kalmeshwar on Sunday 1st March 2020.

88 Farmers, 36 Students and 20 teachers attended the workshop

First technical session started with the topic: '**Sericulture & its prospects**' given by **Dr. M.K. Rathod**, Ex. Director, C.S.B.R, and R.T.M.N.U. He elucidated about economics in sericulture business and gave examples about profits achieved by various farmers who have taken sericulture as their side business.

Second technical session was conducted by Dr. Rahile, Associate professor, Department of Zoology, Science college Pauni, where he explained about '**Apiculture techniques : The Honey bees and pollination, a boon for farmers**'. He quoted with examples how fruiting plants started

bearing sweet fruits when wooden bee hives (Apiculture) were incorporated in the farms. His presentation was full of success stories of farmers using apiculture in their farms. Beneficial products like honey, royal jelly, propolis, bee wax and bee venom extraction enhanced the vision of the farmers and motivated them to use bee hives.

Third technical session Dr. Vijay D. Raut , Assistant professor, Department of Zoology ,Tai Golwalkar Mahavidyalaya Ramtek, described about **‘Moriculture and nurturing Mulberry silkworm techniques’**. Types of rearing of silkworm was well explained where farmers get an idea for non – laborious methods of feeding the silkworms for better cocoon results.

Many farmers were benefitted by these sessions. Even there was an awareness created within students, teaching & non-teaching staff where they get a vision of motivation for famers of Vidarbha region who are bearing losses in their crops.

They can definitely use these supporting small scale industries which would help them financially and stop farmer’s suicidal attempts in Vidarbh region.

4. INTERNATIONAL YOGA DAY

K.Z.S. Science. College, Bramhani, Kalmeshwar, enthusiastically celebrated 5th International Yoga day, at college campus on 21 st June, 2019, Firday. All the teaching and non teaching staff along with students took part in this celebration and practiced YOGA.

9. National Girl child day

The girl child day was celebrated on 24th of January 2022 in our college campus. On the occasion of the Girl Child day event, the special intension and attention focuses on the ‘need to address the challenges girls face and to promote girls’ empowerment and the fulfilment of their human rights.

Adolescent girls have the right to a safe, educated, and healthy life, not only during these critical formative years, but also as they mature into women. If effectively supported during the adolescent years, girls have the

potential to change the world – both as the empowered girls of today and as tomorrow’s workers, entrepreneurs, mentors, household heads, political leaders and mothers. An investment in realising the power of adolescent girls upholds their rights today and promises a more equitable and prosperous future, one in which half of humanity is an equal partner in solving the problems of climate change, political conflict, economic growth, disease prevention, and global sustainability. Total 54 girls were attended this program with all staff members.

10. National Voters Day

Since **2011**, National Voters’ Day has been celebrated on January 25 every year, all across the country to mark the foundation day of the Election Commission of India, i.e. **25th January 1950**. The main purpose of the NVD celebration is to encourage, facilitate and maximize enrolment, especially for the new voters. Dedicated to the voters of the country, the day is utilized to spread awareness among voters and for promoting informed participation in the electoral process.

India observes “**National Voters’ Day**” every year on **January 25** to encourage more young voters to take part in the political process. Election Commission of India is celebrating **12th** National Voters Day on **25th January 2022**. The theme for this year was, ‘**Making Elections Inclusive, Accessible and Participative**’, envisages focus on ECI’s commitment to facilitate the active participation of voters during the elections and to make the complete process hassle-free and a memorable experience for all categories of voters. As a part of this campaign, our college also celebrates this program every year. All students and staff involved in the program and in rally there were 50 students and staff was present.

11. NSS camp

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. As a part of this a special camp was organized by our NSS unit at adapted village 'Waroda' 3 km away from the College during 20 March- to 26 March 2022.

Every year 50 volunteers of NSS unit are expected to participate in special a camp which is of seven days duration. This year also 50 students were participated in the camp.

This year, the primary objectives of the special camping programs were:-

- (i) Making education more relevant to the present situation to meet the needs of the communities and supplement the education of university/college/school students by bringing them face to face with the community situation.
- (ii) To provide opportunities to NSS Volunteers to play their due roles in the implementation of various development "programs by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in improvement of the condition of weaker sections of the communities.
- (iii) Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community:
- (iv) Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth,
- (v) Emphasizing the dignity of labour and self-help and the need for combining physical work with intellectual

pursuits.

(vi) Encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

A list of activities during Special Camping:-

- (1) Plantation of trees, their preservation and upkeep.
- (2) Construction & maintenance of village streets, drains, etc. so as to keep the environment clean.
- (3) Construction of sanitary latrines etc.
- (4) Cleaning of village ponds and wells.
- (5) Environmental sanitation and disposal of garbage & composting.
- (6) Prevention of soil erosion, and work for soil conservation.
- (7) Watershed management and wasteland development.
- (8) Provision of safe and clean drinking water.
- (9) Integrated child development programs.
- (10) Health education, AIDS Awareness and preliminary health care.
- (11) Population education and family welfare program.
- (12) Programs of educating people and making them aware of women's rights both constitutional and legal.
- (13) Creating consciousness among women that they too contributed to economic and social well-being of the community.
- (14) Imparting training to women in sewing, embroidery, knitting and other skills wherever possible.
- (15) Beti Bachao Beti Padhao.
- (16) Organizing blood donation camp.
