both the institutions, also HEREBY agree to establish collaboration according to terms and conditions.

Benefits to the K.Z.S.Science College, Bramhani Kalmeshwar

1. Opportunity to have technical support, guest lecturers for the certificate course in sericulture, as well as honey bees for the conservation of bio-resources.
2. The exchange and professional development of academics, scholars, teachers, experts, students and administrative staff.
3. Opportunity to exchange research programs and publications, including exchange of research materials, publications and educational literature.
4. Joint conferences, exhibitions and symposia on matters of mutual interest.
5. Opportunity for our students and farmers (Area nearby Kalmeshwar) training in apiculture and sericulture. The training is managed in **K.Z.S.Science College, Bramhani Kalmeshwar.**

Benefits to the CSBR

1. Opportunity for the CSBR to get a platform in Kalmeshwar to extend their research, innovation to promote apiculture and sericulture and other beneficial insects in rural sectors.
2. Opportunity for the CSBR to attract the students of K.Z.S. Science College to select self oriented training and awareness programme for Conservation and utilization of beneficial insects.

Tenure of the MoU

1. This MOU will come into effect from the date of signature by the authorized officials from the C.S.B.R. R.T.M. Nagpur University, Nagpur and K.Z.S. Science College, Bramhani , Kalmeshwar.
2. This MOU will remain in effect for a period of Five (5) years and can be terminated by any one of the partners by one month prior notice from either side.

2. Workshop on ‘Sericulture & Apiculture Techniques’

One day workshop on ‘*Sericulture & Apiculture Techniques*’ was organized at K.Z.S. Science college, Bramhani, Kalmeshwar in collaboration with Centre for Sericulture and Biological Pest management Centre, R.T.M. Nagpur University, Nagpur (C.S.B.R) & Dr. Bhabha Lokshikshan santha’s, K.Z.S. Science College, Bramhani-Kalmeshwar on Sunday 1st March 2020. 88 Farmers, 36 Students and 20 teachers were attended the workshop.

First technical session started with the topic: ‘**Sericulture & its prospects**’ given by **Dr. M.K. Rathod**, Ex. Director, C.S.B.R, and R.T.M.N.U. He elucidated about economics in sericulture business and gave examples about profits achieved by various farmers who have taken sericulture as their side business.

Second technical session was conducted by Dr. Rahile, Associate professor, Department of Zoology, Science college Pauni, where he explained about ‘**Apiculture techniques : The Honey bees and pollination, a boon for farmers**’. He quoted with examples how fruiting plants started bearing sweet fruits when wooden bee hives (Apiculture) were incorporated in the farms. His presentation was full of success stories of farmers using apiculture in their farms. Beneficial products like honey, royal jelly, propolis, bee wax and bee venom extraction enhanced the vision of the farmers and motivated them to use bee hives.

Third technical session Dr. Vijay D. Raut , Assistant professor, Department of Zoology ,Tai Golwalkar Mahavidyalaya Ramtek, described about ‘**Moriculture and nurturing Mulberry silkworm techniques**’.

Types of rearing of silkworm was well explained where farmers get an idea for non – laborious methods of feeding the silkworms for better cocoon results.

Many farmers were benefitted by these sessions. Even there was an awareness created within students, teaching & non-teaching staff where they get a vision of motivation for famers of Vidarbha region who are bearing losses in their crops.They can definitely use these supporting small scale industries which would help them financially and stop farmer’s suicidal attempts in Vidarbha region.

The guests are addressing the gathering in a workshop
