**Policy document regarding implementation of Mentor –Mentee
programme
K.Z.S. Science college, Bramhani , Kolar district.**

- This policy begins in professional development of the organization and systematically success experienced team members to build up relationship with freshly admitted STUDENTS who need to expand their skills and/or experiences.
- Such points of view are for the benefit of the students and execution of Mentor – Mentee programme as per guidelines laid down by the M&M committee.
- These points are effective at the commencement of the session 2022-23 and are deferred during mid-year programme for later batch.
- We incorporate following conventions for more effective bond between teacher and students:
 - The Mentors follow the various aspects for sound progress of mentees:
 - We ensure that students are regular.
 - We enhance bilateral communication.
 - We make sure that the each mentee expresses his/ her opinion to Mentor willingly.
 - We define the targets and work for the mental as well as physical health of each mentee as per expectations.
 - Some basic policies like cleanliness, honesty, sincerity, proper thinking, self-discipline, assiduousness etc. are followed by the mentor in their own work sessions.
 - Active participation during various programs, share major differences in the development of the mentees and help to compose an innovative and creative generation.
