Objective of the Activity	The main aim of participating in the programme was to sensitize our youth about the importance of voting in a democratic state like India and further encourage them to spread a general awareness among their peer groups, families and acquaintances.
Outcome of the Activity	Many students who were not enrolled as voters, got themselves registered to cast their votes in the upcoming Legislative Assembly Elections of Maharashtra state and further sensitized their family members about the importance of every single vote.

National voter day rally

The Election Commission of India (ECI) will start a campaign across Maharashtra to link Voter ID cards with Aadhaar from 01 August 2022. The aim of this voluntary drive is to establish the identity of electors and authenticate entries in the electoral roll as well as to identify if the same person is registered in more than one constituency or more than once in the same constituency.

“To link [Aadhaar card](#) to Voter ID card, voters need to fill application form 6-B available online on the election commission website and at electoral registration offices. It can be linked online on Voter helpline app and national voter service portal,
