Feedback and Action Taken Report-2022-23

A feedback from the students was taken through feedback forms containing 10 questions on various aspects of curriculum and institution to find out the weaknesses of the college. After analyzing the feedback, it was seen that students have shown their satisfaction in almost all aspects covered in the feedback form. The primary goal of the parent survey is to collect and understand parents' opinion to improve the learning environment in a specific way and parent feedback was also taken. It contains 10 parameters also. After analyzing it, maximum parents were satisfied about the parameters but they pointed out the poor satisfaction in extracurricular and sports facilities in the institution. The suggestions given by the parents are taken into consideration and alumni feedback is offered an important perspective for evaluating academic programs and student services. A special feedback form was prepared for alumni feedback containing 10 questions with different parameters for the session. After analyzing the feedback, it was seen that alumni have shown their satisfaction in all aspects covered in the feedback form. Teachers are one of the most important resources in determining students' future, academic success and lifetime outcomes and also provide suggestions for development, learning strategies and correction of errors and for the same teacher feedback was taken. The teacher feedback form also contains 10 questions with different parameters. After analyzing, it was seen that teachers have shown their satisfaction in almost all parameters except the need for sensitization of teachers in view of the implementation of NEP 2020. The given suggestion of the teacher was forwarded to the college council for further development.
