1. Webinar on Ground Water survey and development

Botany department of KZS Science college organized a webinar on “Ground Water survey and development” on 2nd July, 2021. Faculties of Botany department are doing additional research work on this genuine topic. The speaker and chief guest of the program, Dr. Varsha Mane, (Senior Geologist) Ground water survey and development agency, Nagpur Maharashtra state. Dr. Varsha Mane explained that, water plays an important role for the existence of mankind. The demand for water is rapidly increasing for drinking, irrigation and industrial uses. The increasing demand is also related to the increase in the population. The chairperson of the program, Principal Dr. A.K. Tikhe, NSS Program officer, Dr. A. M. Shirame, Dr. V. S. Borkar, all staff and students were participated. The speaker and her team have given detail idea and skills how to conserve the water and its utilization. Dr. Shirame presented a vote of thanks. For this webinar 60 participants were participated and took part in the discussion.

2. Webinar on Environmental Chemistry

Department of Chemistry as a part of their research interest has organized webinar on topic Environmental Chemistry on dated 25-9-2021. The invited speaker Dr. Subodh E. Bhandarkar, G.V.I.S.H., Amravati delivered a lecture. Dr. Bhandarkar in his speech explained the importance of chemistry for the survival of human being, how we can save our environment by making use the concepts of chemistry. He also explained Environmental chemistry is more than air, water, soil, and chemicals. This field uses various techniques of biology, maths, genetics, engineering, hydrology, toxicology, etc. that will help to fetch an answer

to all the questions related to the environment. At the end of program Dr. A. P. Ganorkar delivered a vote of thanks. On this online webinar total 101 participants were present.

Academic Year 2022-23

1. Two Days Workshop on “Soil and Water Analysis”

Department of chemistry, K. Z. S. Science College Bramhani – Kalmeshwar, was organized two days workshop in collaboration with Universal Biotech Laboratory and Iris Agro Farms Kalmeshwar on 11th and 12th November 2022 on topic “Soil Health Management and Estimate the Requirement of Organic Impact on Crop Production”. Mr. Sunil M. Konde (Managing director, Universal Biotech laboratory and Iris Agro Farms kalmeshwar) delivered the guest lecturer and guided the students. He explained the three methods of measurement of Soil microbial activity using direct microscopy, colorimetric analysis, and fumigation techniques in his speech. And on 12th November 2022, field visit and training of soil testing was done. The chairperson of program Mr. P. B. Dangore, secretary (Dr. Bhabha Vidnyan Lokshikshan Sanstha kalmeshwar) delivered a presidential speech. Principal, Dr. A.K.Tikhe , Dr. A.P. Ganorkar H.O.D. of chemistry and IQAC coordinator, Dr. R. H. Gupta, Convener of the workshop as well as teaching staff and students were present for the program. The vote of thanks was delivered by Dr. Mrs. A. R. Bijwe. Total 60 participants were present in the program.
