Feedback and Action Taken Report-2022-23

A feedback from the students was taken through feedback forms containing 10 questions on various aspects on curriculum and institution was to find out the weaknesses of the college. After analyzed the feedback, it was seen that students have shown their satisfaction in almost aspects covered in the feedback form. The primary goal of parent survey is to collect and understand parents opinion to improve the learning environment in specific way and Parent feedback was also taken . It contains 10 parameters also. After analyzed it, maximum parents were satisfied about the parameters but they pointed out the poor satisfaction in extracurricular and sport facilities in the institution. The suggestions given by the parents are taken into consideration and Alumni feedback is offer an important perspectives for evaluating academic programs and student services. A special feedback form was prepared for alumni feedback containing 10 questions with different parameter for the session . After analyzed the feedback , it was seen that, alumni have shown their satisfaction in all aspects covered in the feedback form. Teachers were one of the most important resources in determining students future, academic success and lifetime outcomes and also provides suggestion for development, learning strategies and correction for errors and for the same teacher feedback was taken. The teachers feedback form was also contains 10 questions with different parameters. After analyzed ,it seen that teachers have shown their satisfaction in almost parameters except need for sensitization of teacher in view of implementation of NEP 2020 . The given suggestion of teacher was forwarded to college council for further development.
