A Green Campus is a place where environmental-friendly practices and education combine to promote sustainable practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new pattern or strategies by creating sustainable solutions to environmental, social and economic needs of the mankind. K. Z. S Science College, we practice and maintain the following criteria and policies to make it a pollution free, energy saving and green campus.

GREEN CAMPUS POLICY

- Vehicles with PUC enter the college campus.
- The college encourages the employees and students to frequently use public transport, bicycles, etc. to limit the emissions.
- All staff members and students are expected to park vehicles away from building at the designated parking areas only.
- Use of mass transport and car pool as an eco-friendly way is expected from all staff members of the college with carbon credits that reduces green house gases in the area.
- Every year college observes No vehicle day in order to promote a message of environment in the campus.

Notice

The college has begun implementing the green policies on its campus. The college recommends students to only park in the approved area.

The security guard/watchman is also given the information mentioned above, so they can monitor the orderly parking of the cars.

Following rules are advised to adopt:-

1. Vehicles driven by students are only permitted in the authorised parking area.
2. In order to control pollution, students are encouraged to take public transportation whenever and wherever possible.
3. To support the college's green policies, students living within three kilometres of the campus should prefer to ride bicycles.
4. In the college campus, all traffic laws that have been adopted by the road transportation authorities must be followed.
5. No student shall be permitted to bring a two-wheeler with an engine size greater than 350 CC into the college campus.
6. Inside the college campus, the maximum allowed speed for vehicles is 10 km/h.
7. Since College Campus is declared silence zone therefore Vehicle Horn is not allowed.

Notice

All the teaching, non-teaching staff and students of the college are here by inform to switch off the lights while leaving the class room /office/ laboratory.

It is also notice that at some places the drinking water / toilet taps are not properly closed and the water is let off due to which the tanks are getting empty.

Hence, you are advised to close the tap immediately after the uses, so that there will not be any wastage of the water and the power bill will be minimized. If you notice any water leakage the same may be brought to the notice of the HOD/ departmental office subordinate.
