PROSPECTUS

2026 - 27

Dr.Bhabha Vidnyan Lokshikshan Sanstha's

K.Z.S. SCIENCE COLLEGE

BRAMHANI, KALMESHWAR DIST. NAGPUR

PROSPECTUS: 2026 - 27

Dr. BHABHA VIDNYAN LOKSHIKSHAN SANSTHA

Dr. Bhabha Vidnyan Lokshikshan Sanstha Kalmeshwar made its existence in 1981 by the vision & dedication in the rural part of Nagpur area i.e. Kalmeshwar where most socio-economically and educationally backward community inhabits. BVLS Sanstha began its work by the awareness about superstition about "Total Solar Eclipse" in 1981. This Sanstha is a big group of peoples who dedicated themselves in the various social activities such as Superstition eradication; blood, eye and body donation;

G.K. examinations for students; programs for farmers...etc. It had given a commendable uplift to the society around and still it functions as a source of hope to these people around Kalmeshwar. The vision of this Sanstha is to be a leader in fulfilling the contemporary need of the society by providing quality centric higher education with holistic development through our unique institute, K. Z. S. Science College. It had contributed in all areas of the need of the society since its inception 1992 by imparting knowledge, including human values, involving stakeholders and self-analysis from feedback mechanism.

The institute is providing basic knowledge for various careers for the job potential. We conduct diversified programs to generate awareness about various social issues. For example, prior to organizing a blood donation camp, students are made aware about blood donation through technical lectures and clearing misconceptions. Not only this, we have our own mobile blood bank (MBB), through which neediest can contact directly to donors.

The neighborhood community which comprises underprivileged, socio- economically backward segment people like laborers, housemaids, daily wage earners, who can't afford medical checkup / treatment not only because they don't have money but the duration of treatment lead to economic loss, for such issues institution conducts free eye, ear, diabetes checkup camps with convenient time and venue.

To carry and proceed the same we all Sanstha members are requesting society to involve in our mission for the betterment of our society in which we live.

- Dr. Babha Vidnyan Lokshikshan Sanstha, Kalmeshwar

डॉ. होमी जहागीर भाभा यांचे स्मृतीस अभिवादन करून.....

भारतीय संस्कृतीत अनेक मानवतावादी, सुसंस्कृत माणसे तयार झाली. विधायक मनोवृत्ती असलेला एक कुशल इंजिनियर, प्रख्यात शास्त्रज्ञ कला प्रेमी व माणूस म्हणून, थोर विचारवंत म्हणून 'होमी जहागीर भाभा' यांचे नाव भारतात मोठ्या आदराने व प्रेमाने घेतले जाते. स्वतंत्र भारताला समर्थ व बलवान करण्यासाठी त्यांनी आपल्या जीवाचे रान केले. त्यांचा जन्म ३० ऑक्टोबर, १९०९ साली सधन पारशी कुटुंबात झाला. होमी भाभा भारतीय अणु भौतिकशास्त्रज्ञ होते. भारताच्या अणुउर्जा विकास कार्यक्रमाचा पाया रचण्याच्या कामगिरीमुळे त्यांना भारताच्या अणुउर्जा व अण्वस्त्र विकास कार्यक्रमाचे प्रणेता मानले जाते. वडील जहागीर भाभा हे बॅरीस्टर होते. त्यांचे प्राथमिक ते पदवी पर्यंतचे शिक्षण मुंबई येथे झाले. होमी यांनी पुढे इंजिनियर व्हावे असे त्यांच्या वडिलांना वाटत होते. पण होमी यांनी वडिलांना आपल्या गणित आणि भौतिकशास्त्रातच विशेष आवडतात असे ठामपणे सांगितले. होमी भाभा केंब्रीज विद्यापिठातून इ.स. १९३० साली प्रथम श्रेणीत इंजिनियर झाले. तसेच पॉल डिरॅक यांच्या मार्गदर्शना खाली गणिताचा अभ्यासही करित राहिले. त्या काळात त्यांना शिष्यवृत्ती आणि अनेक बक्षीसेही मिळाली. इ. स. १९४० साली भारतात परत आल्यावर काही काळ डॉ. भाभा यांनी भारतीय विज्ञान संस्था, बंगलोर येथे प्रोफेसर म्हणून काम केले. इ.स. १९४५ साली टाटा मूलभूत संशोधन संस्थेची स्थापना करण्यात मदत केली आणि आपले संशोधन कार्य संभाळून डॉ. भाभा टाटा मूलभूत संशोधन संस्थेचे संचालक झाले.

भारताच्या स्वातंत्र्यानंतर इ.स. १९४८ साली त्यांच्या पुढाकाराने अणुउर्जा आयोगाची स्थापना करण्यात आली. याही संस्थेचे तेच संचालक म्हणून काम पाहू लागले. त्यांच्या परिश्रमांमुळेच भारत देशात अणुभट्टीची स्थापना होऊ शकली. अणुचा वापर शांततेच्या मार्गानेच व्हावा असे ठाम मत संयुक्त राष्ट्रांच्या सभेत मांडणारे भाभा हे पहिले वैज्ञानिक. डॉ. भाभा यांनी पाया रचला म्हणूनच भारताने अनेक ठिकाणी अणुभट्टी सुरू करून त्यांच्या विजनिर्मितीसाठी उपयोग केला तसेच १८ मे, इ.स. १९६४ यादिवशी भारताने पोखरण येथे पहिला अणुस्फोट घडवून आणला. भारतात अणु पर्वाची सुरुवात करण्याच्या डॉ. भाभा यांना अणु क्षेत्रातील कामाबद्दल अँडम्स पारितोषिक, हॉपकिन्स पारितोषिक, पद्मभूषण इत्यादी अनेक पुरस्कार लाभले. भारतीय विज्ञान परिषदेचे अध्यक्षस्थान ही त्यांनी भूषविले. संयुक्त राष्ट्रांच्या सभेला जातांना २४ जानेवारी, इ.स. १९६६ यादिवशी फ्रान्सच्या हद्दीत असतांना त्यांचे विमान अपघातात निधन झाले. त्यांच्या मृत्युनंतर ट्रॉम्बे येथील अणु संशोधन केंद्राचे नाव बदलून भाभा अणु संशोधन केंद्र असे ठेवण्यात आले.

वैज्ञानिक क्षेत्रामध्ये डॉ. भाभा यांच्या अतुलनीय कार्याची प्रेरणा घेवून संस्थेने महाविद्यालयाचे बिजरोपण केले. वंचीत परंतु हुशार विद्यार्थ्यांचे शैक्षणिक स्वप्न पूर्ण करण्याच्या आमचा मानस आहे. या कार्यात समाजातील सर्व स्तरातील नागरीक, पालक, विद्यार्थी यांचा सहभाग व आशिर्वाद अपेक्षित आहे.

डॉ. भाभा विज्ञान लोकशिक्षण संस्था, कळमेश्वर.

PRINCIPAL'S MESSAGE

Dear
Students,

Welcome you all in our academic family.

We begin the new academic session 2026-27 with greater enthusiasm and hope. What began as an idea, a dream, is now K. Z. S. College, a premier institution for quality learning. This is the outcome of the various facets that have given to K. Z. S. its distinctive brilliance; motivated faculty, enterprising students, and invigorating environment.

I feel proud to say that this enterprise of educating the mind and nurturing the spirit that this institution fosters is realized by means of a dedicated and talented faculty who continue to bring new and innovative ideas into the classroom. Come then, join us in this great adventure of the mind where challenges are seen as opportunities for success.

In addition to academics leading to degree course, the college develops the student in total personality and makes them aware of social responsibility, National and spiritual integrity through special programs, camps and sports etc.

To make the college "An Ideal one" is the cherished dream of our society we all the staff of the college, principal, the teachers and non-teaching staff are pledged to fulfill the society's dream.

I welcome you once again to this College where the best becomes even better

**Dr. A. K. Tikhe
Principal**

Quality Policy

- * We at Late. K.Z.S. Science College, Bramhani commit ourselves to achieve exemplary standards in education.
- * We shall continually improve all our processes and shall strive to provide environment conducive to the pursuit of knowledge and overall development of personality.
- * We shall encourage students to realize their full potentials to become good citizens.
- * We shall encourage all to adhere to the highest ethical standards and integrity and shall strive for enhancing level of satisfaction of students, parents and society.

Important Notes

For Students, Parents and Guardians -

Facilities Available

It has been a constant endeavor of the college management to provide best possible facilities to students. Some of the facilities available are as follows:

1. Sport Department:

College has vast playfields in the campus itself for various sports activities. College participates in Cricket, Kho-Kho, Kabaddi, Volley Ball, Hand Ball, Chess; Athletics etc in inter collegiate tournaments. Every year many of our students get selected in university teams.

2. National Service Scheme (NSS):

College has a very active NSS unit. Students (Boys and Girls) desirous of participating in NSS activities are advised to contact NSS, Co-ordinator after finalizing their admission. Our NSS unit arranges various social programs during the session. Students participating in NSS activity can get benefit of incentive marks.

3. Computer center and Computer literacy Program:

Our college has established a well-equipped computer center to spread computer literacy among our student's. All college students will compulsorily be given computer training in windows, MS-Word, MS- Excel, MS Power Point, Internet and Tally.

4. Laboratory:

There are separate well-equipped laboratories for Physics, Chemistry, Botany, Zoology and Computer Science.

5. Central Library Facility:

The college has a rich and spacious central library. More than 20,000 books on various subjects are available in our college library. There is a book bank facility in our college library from which needy students are given book after getting borrower ticket. Besides main central library, there are also departmental libraries in some departments.

6. Canteen:

Canteen facility will be available for students in the college premises.

7. Cycle/Motor cycle stand:

There is a cycle /motorcycle stand near the main entrance of the college. Students are advised to keep their vehicles parked in the stand after locking them properly. College takes no responsibility for loss or damage of vehicles parked in cycle /motorcycle stand.

8. Girls Hostel:

There is a hostel facility in the college premises for the girls which are from economically poor classes. There are 25 seats available and will be filled on first come first serve basis.

9. Indoor Stadium:

The huge Indoor stadium is available for the students to play the indoor games.

Important Activities

1. NATIONAL PROGRAMMES

Students have to be present for the celebrations of national days like *Independent day* and *Republic day* organized by college.

SWACHH BHARAT ABHIYAN

Be the change you want to see in the world-

For sustainable cleanliness in the college campus, we constituted to plan and execute regular cleanliness drives. This abhiyan made students aware about the significance of cleanliness in their lives and motivated them to participate in cleanliness drives in huge numbers

— Mahatama Gandhi

ALUMI ASSOCIATION

An alumni association is an association of graduates or, more broadly, of former students (alumni). These associations often organize social events, publish newsletters or magazines, and raise funds for the organization. Many provide a variety of benefits and services that help alumni maintain connections to their educational institution and fellow graduates. It formed to promote and foster mutually beneficial interaction between the Alumni and the present students. Every year past students come in the college and interact with the present students.

PARENTS MEETING

The primary purpose of parent-teacher meetings in college is to foster open communication and collaboration between parents, teachers, and students, enabling a shared understanding of the student's progress, academic performance, and overall well-being. Parent-teacher meetings create a common space for the elders to communicate about their wards performance, behavior, and education. It can help parents understand their wards interests and progress when they are at college. Every year we organize such parent meeting for the students' progress.
